TRAVELING

OHIO'S 150th BIRTHDAY

THE GREAT SEAL OF THE STATE OF OHIO

Each element in the official Seal of the State of Ohio has a special meaning. The rising sun in the background denotes a new day for the common man. The hills are part of the western slope of the Alleghenies. The sheaf of wheat bespeaks the bounties of nature as found in Ohio. The seventeen arrows symbolize unity with the sixteen states which joined the Union before Ohio.

OHIO IN 1803

"The country is agreeably diversified with hill and dale; and except where the axe and the plough have been employed, is covered with vast and majestic forests. Rivers and creeks intersect the region in every direction. The intervals are very fertile; and, on the borders of the rivers and creeks, the bottom-lands are from half a mile to a mile and a half, and sometimes more, in width, with great depth of soil."

So wrote Thaddeus Mason Harris, author of *THE JOURNAL OF A TOUR*, when he made a trip into Ohio in the spring of 1803. Beaver, buffalo, deer, elk, and bear roamed the forests and the broad meadows. There were many smaller animals and several hundred species of bird life, including wild swans, geese and ducks. An abundance of fish rounded out the wild life of a region which was a veritable hunter's paradise.

The timber from the forests furnished building material, and the fertile soil produced food in abundance. It would seem that these Ohio pioneers of 1803 would have been fully occupied with the tasks of clearing the land and building their cabins. Yet, busy as they were, they established a government, and Ohio became the first state carved from the Northwest Territory.

OHIO TODAY

Ranking thirty-fourth in area and fifth in population, the Buckeye State of today may be described as a cross section of American commerce, industry, and agriculture. Ohio's wealth lies in its natural resources, its great industrial centers, its vast and fertile plains, and in its hilly sections where mining is extensive.

The state's manufacturing and production facilities put it first in an extraordinary variety of products and enterprises — machine tools, rubber, ceramics, nuts and bolts, matches, oilcloth, bicycles, cranes, derricks, playing cards, china, soap, safes, and vaults. It ranks second in the production of automobile parts, paper boxes, and blast furnace products; third in paints, varnishes, and lighting fixtures; fourth in chemicals, aviation and men's clothing; fifth in footwear.

Ohio is rich in mineral resources—coal, shale, limestone, sandstone, marl, peat, gypsum, salt, and petroleum — and it is a leading producer of brick and tile, pottery, and steel. Much of the United States flows through Ohio, and the state excels in transportation facilities. The story of Ohio is the romance of empire building—the story of stout men and brave women who from a savage wilderness made a great state.

Senior Class History

We entered high school in September 1949. We were initiated as have been all the other classes. Some hard-to-catch individuals got it more severely than others. We elected officers—President, Pat Morocco; Vice President, Rich Primavera; Secretary, Tommy Cartoss; Treasurer, Pinky Olive. As you see Pinky got all the money. In the middle of the year we moved out of the center section of the old school. We started wearing our coats in school. The rest of the year passed uneventfully.

For our sophomore year we again elected officers—President, Spike Traveline; Vice-President, John Moronti; Secretary, Richard Primavera; Treasurer, George Kestma. Some of our boys entered basketball, football and baseball. We had one dance. We took in \$5.00, paid \$5.00 for the jukebox. Net profit—\$0.00. The new section of the building was beginning to take shape now. Some classes forgot their work and watched large beams being put into place.

The beginning of our junior year had us worried. We were afraid that we weren't going to enjoy the advantages of the new section of the school as our home room was Room 26. The boys, realizing that a lot of work must be done in our junior year, elected four girls. They were—President, Angie Pantana; Vice-President, Joanne Slaven; Secretary, Kay Hartman; Treasurer, Joanne Kalcic. The girls began the terrific task of raising money for the prom. Our class had the first All-Night Prom to be held in Lowellville. It was a huge success. After our banquet, we danced from 9 to 1 to the music of Bob Alexander. Then we saw a movie and, after that, there was dancing to the jukebox. Then we were served breakfast in the cafeteria and went home. We also started the printed newspaper that year. We had it printed at the Struthers Print Shop. It was under the supervision of Mr. Zerbonia, but as Mr. Zerbonia did not come back this year, it was discontinued by the junior class of 1953.

Another thing that was started in our junior year and by a lot of our classmen was the Student Council. It has been a great benefit to our school. In our junior year we also had a turkey raffle and several dances. We sponsored the "Homecoming Dance," Pinky Olive being the queen. She was also prom queen and Pat Morocco was prom king.

The officers that were elected for our senior year were—President, Richard Primavera; Vice President, Tommy Cartoss; Secretary, Pinky Olive; Treasurer, Buck Schrader. Ah, the long awaited year; we . . . seniors. Well, what do you know we didn't feel any different than usual. No work this year! That's what we thought but Miss Gray soon changed our minds. Mr. Harris helped to, too. Richard Primavera was President of the Student Council this year and Shirley Rotz and John Moronti were representatives.

We are now awaiting graduation but we will never forget our wonderful years of high school.

Class Prophecy

The Class of 1953 had their 15th annual reunion. The event opened with **Tom Cearfoss**, **Buck Schrader**, and **Pat Morocco**, the famous Harmonicats from the Aragon of Chicago, playing their favorite tune, "Cat, Cat Boogie."

The special event in the refreshment department was the super gigantic soda which was invented by **Shirley Rotz** and **Angeline Pantana**. It was served after the dinner.

Also, after the dinner, the famous speaker, Professor **Sylvester (Bong Bong) Dastoli**, gave a lecture on how to put puzzles together in two minutes.

Some of the important people who took part in making this event successful were Mr. and Mrs. Joe Moran (**Joanne Slaven**), who own the Studelaker Bus Company. They provided the transportation for the guests.

Anthony "Truck" DeLisio and **Richard "Jr." Knafles**, President and Vice-President of the Sharon Steel Corporation, were our special guests.

Later in the evening Colonel **Muscatell** of the National Guard and General **Horn** of the Marine Corps were talking about their disadvantages and advantages of their branch of the service.

Just returning from Hollywood were the famous Melody Sisters, **Kay Hartman**, **Mary Jane Rotz**, and **Louise Tanferno**, who attended our reunion. They sang their famous song, "Bubble Gum Boogie."

Popcorn balls were given and made by **Shirley Olive** who owns and operates the great Liberty Bell Theater.

Then we had a few words on how to bowl three hundred by the famous bowler, **Margie Shevetz**.

As we look around we see **Cliff Armstrong** now the owner of our great gasoline company, "Mor-gas."

To our left we see **John Moronti**, football coach from Notre Dame and **Rich Primavera**, basketball coach of the famous Globe Trotters. They are two wonderful coaches.

Then next to them is Mrs. **Phyllis Piscillo**, (**Slaven**) who just returned from a trip around the world with her husband.

Then, across from her is **Pat Trimble** who owns the famous restaurant "Chicken on Wheels."

Next to him we see two famous movie stars, **Tony Curless (Spike Traveline)** and his wife **Janet Leg (Joanne Kalcic)**, and on the other side is **George "Frank Buck" Kushma**. He just got back from Africa after killing thirteen lions and twelve tigers.

And then there is "Smiling Dee," (**Delores Polis**), seated at the far left, smiling very brightly. You see, she is a famous model who poses for "Smiley-wiley Tooth Paste."

Then across from her is **Vince Chiricosta**, a famous man known for his great oil wells down in Texas. He is also trying to sell shares in it.

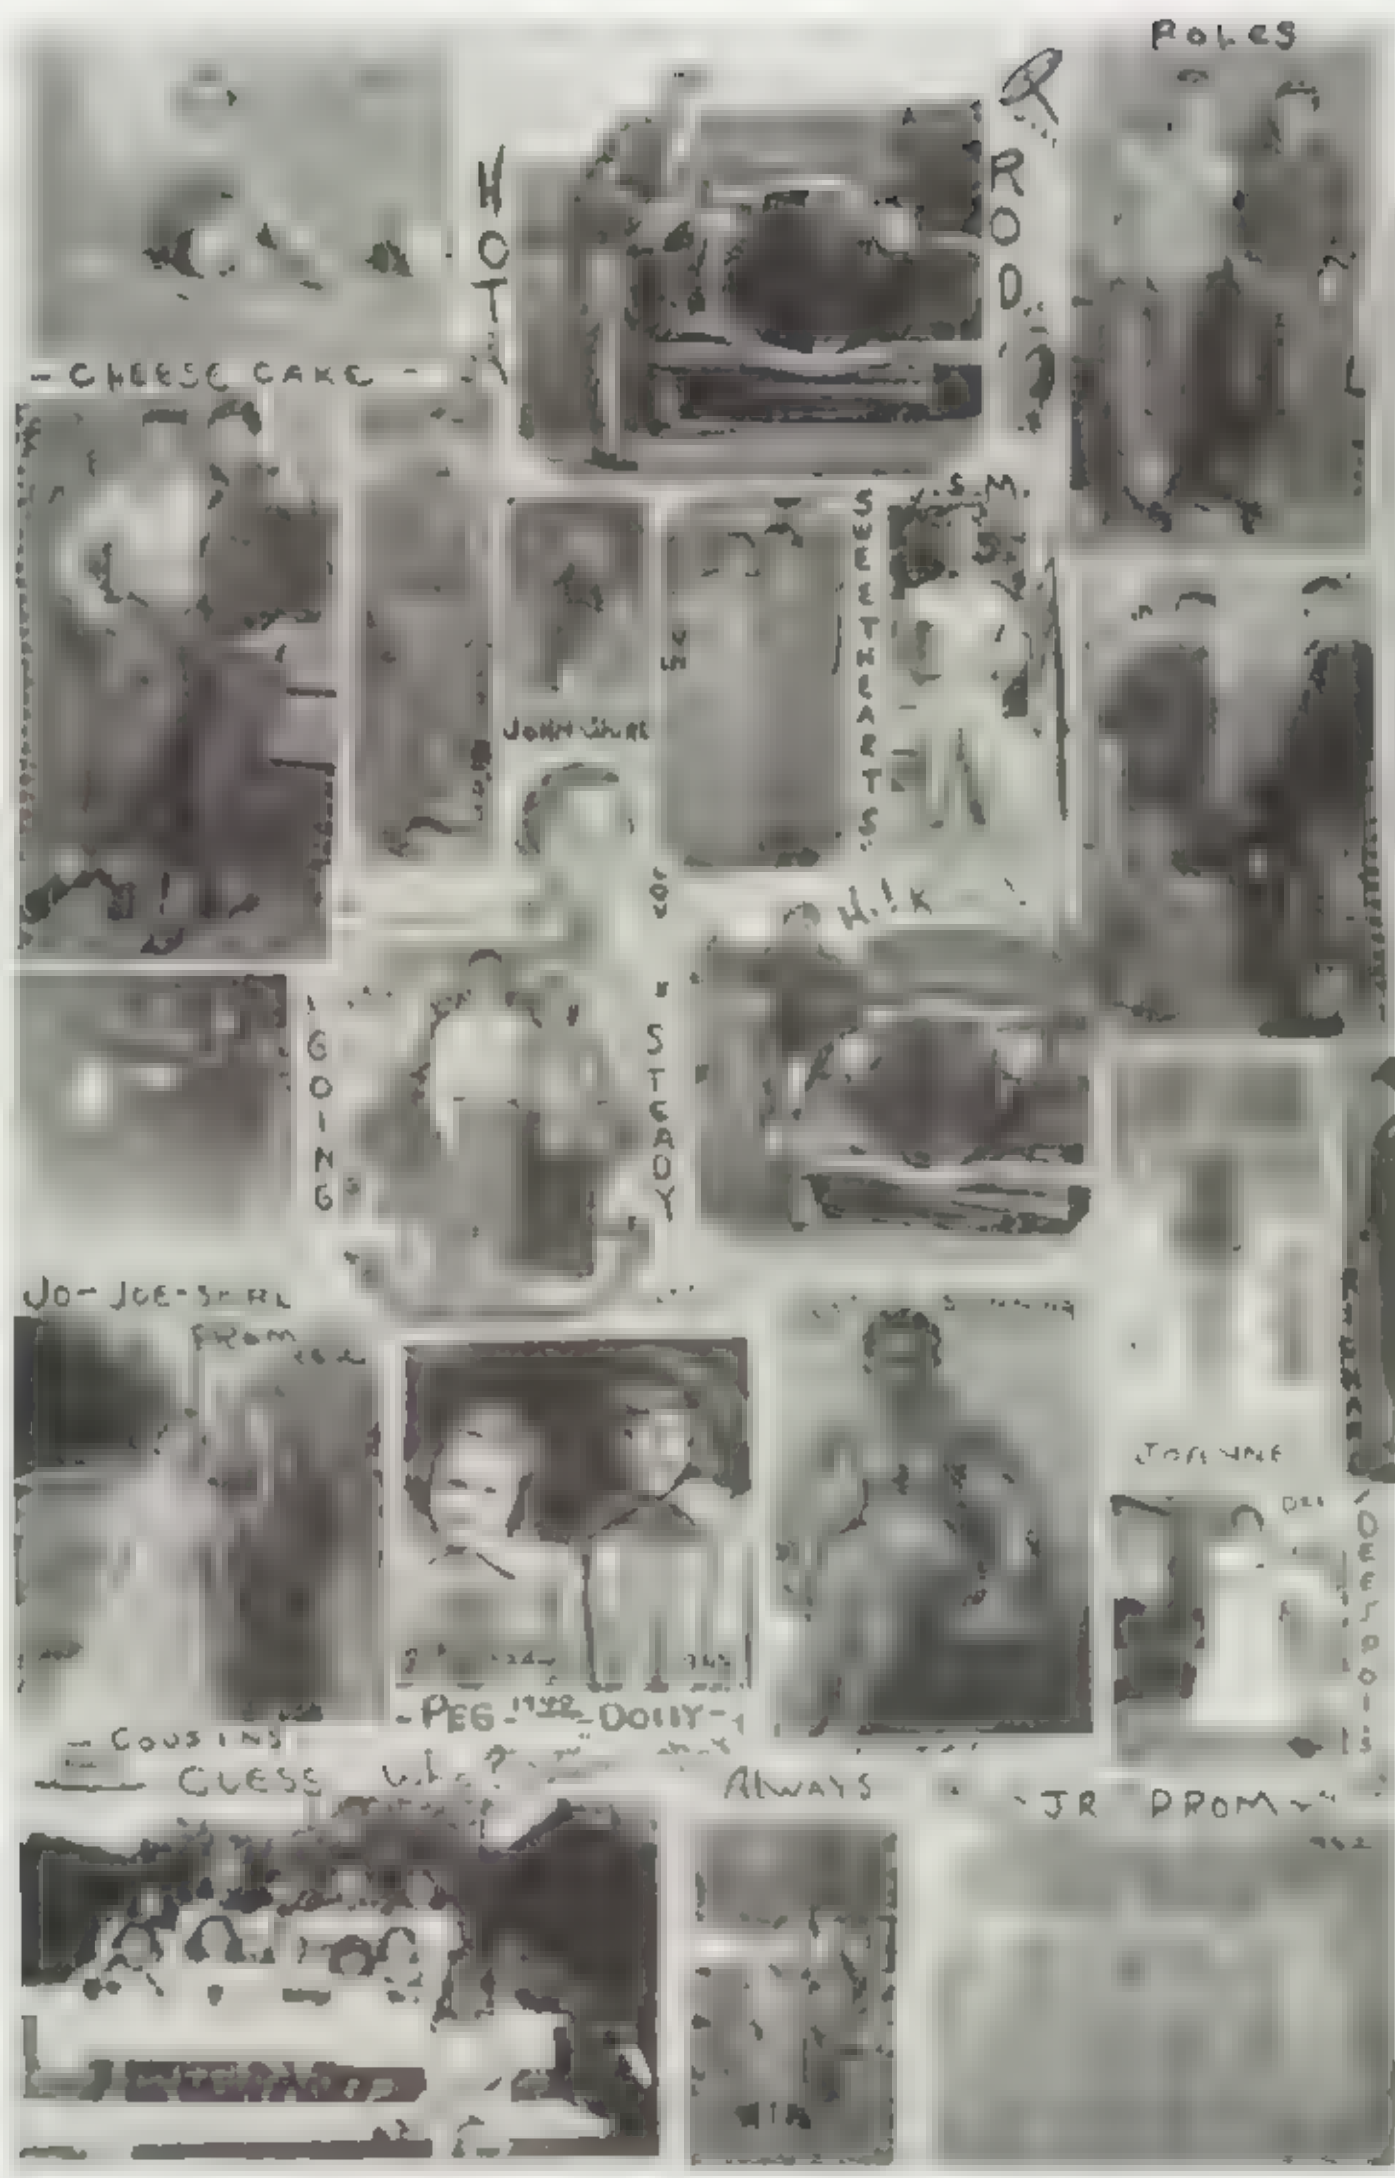

Now as we come to a close after our wonderful reunion, we would like to have a closing song by that famous orchestra leader **Art Norberg**, playing his \$1,000 trumpet. His wife and vocalist, **Dolly Semanovich**, will sing "Don't Sponge Off Of Me, Your Neighbor Is Closer."

Yours truly,

Shirley Olive, Shirley Rotz.

Can You Imagine??

- K. Hartman—Not talking about joining the Marines.
- J. Kalcic—Not sitting with Spike in study hall.
- S. Olive—Not liking Public Speaking Class.
- A. Pantana—Not talking about a new flame.
- D. Polis—Not thinking of Speedy.

Upon entering our sophomore year, we immediately set our thoughts to the traditional initiation of the up-coming freshman. After taking our fullest revenge of complete satisfaction we settled down somewhat and concentrated on school work.

Football season rolled around with the following boys participating: Joe Polito, Joe Alfano, Jack DeLucia, Chuck Mangine, Dick Cearfoss, Bob Morocco, and Lou Carducci.

The same enthusiasm was shown for basketball as for football. Jack DeLucia, Bob Morocco, and Joe Alfano proved to be good enough for varsity while Dick Cearfoss, Rich Schrader, Joe Polito, Donald Rentz, Leon Slaven, and Karl Williams supported the reserves. Lou Carducci and Rich Schrader proved to make very good managers.

The girls are not to be underestimated for they did very well in the G. A. A. tournaments.

We are looking forward to a prosperous and exciting junior year.

School News

Among the important events in this school year were the Senior Scholarship Test, the Legion Essay Contest, the Daughters of the American Revolution Citizenship Test, and the choosing of the girl to represent Buckeye Girl's State.

The Senior Scholarship Test was taken by ten seniors, four girls and six boys: Richard Primavera, Arthur Norberg, John Moronti, Pat Morocco, Tony Dastoli, George Kushma, Joanne Slaven, Angeline Pantana, Shirley Rotz, and Joanne Kalcic. Tony Dastoli and George Kashma received honorable mention.

The title of the essay contest sponsored by the American Legion this year was "The Need For a Strong American Democracy." Two juniors and two seniors were chosen for having the best essays in their class:—James Traveline and Joanne Slaven from the senior class, and Kenneth Haines and Joanne Coppola from the junior class. James Traveline also won honors in the county.

Five senior girls, Joanne Kalcic, Angeline Pantana, Delores Polis, Shirley Rotz, and Joanne Slaven, were chosen to take a Citizenship Test sponsored by the Daughters of the American Revolution. Joanne Slaven, who achieved the highest grade locally, represented Lowellville at a Daughters of the American Revolution Tea at Butler Art Institute on Tuesday, March 10, 1953. Good Citizenship Pins were awarded those girls present.

This year Dorothy Mayberry was chosen by the American Legion Auxiliary Post 247 to be a representative at Buckeye Girl's State. Joanne Katcher was her alternate.

Assemblies

Our assemblies were quite enjoyable. We had a Visual Education assembly at least once a week, at which Mr. Celbar and his "boys" showed us movies on some every interesting subjects. The band was always there to help us along and accompany us at the Pep Rallies and Assemblies.

The Student Council was very active this year by bringing in a few speakers. One of them was Detective Ted O'Conner who spoke to us about Juvenile crimes and cases. Two weeks after his engagement here at Lowellville High School he suffered a severe heart attack, so the Student Council in appreciation for his talk to us, sent him flowers.

On October 6 Miss Angeallo had Grace Phelan, the world's famous speed typist and former world's amateur typing champion come here to give us a demonstration on the Do's and Don'ts of typing.

During the Polio Drive the Student Council once again had a speaker, John Farto, who gave a very heart-warming talk on Polio, which I am sure opened the eyes and ears of many of our students to the dreadful disease of Polio.

In February, Mr. Haines's Public Speaking class put on a skit in which each student did a Monologue. This was enjoyed by the Student Body.

Our assemblies consisted of the Turkey Raffle, the Christmas Program, the Easter Program and also our pep rallies in which the cheerleaders did their best to make them as enjoyable as possible.

Last but not least we had our annual Senior Day assembly which will be remembered for many years to come.

The Student Council began its first year at Lowellville High School this year. Considering the inexperience of the members it functioned quite well.

Among the activities the Student Council sponsored were:

- Christmas and Thanksgiving assemblies.
- Student Council meeting at an assembly.
- Trip to Cleveland Indian Baseball game.
- Set up the social calendar for the year.
- Administered aptitude tests to the Juniors and Seniors.
- Had a polio drive.

They also set up a permanent method of selecting cheerleaders.

The Council is a member of the NASC which stands for National Association of Student Council.

Instrumental Music

BAND OFFICERS

President	Joe Coppola
Vice-President	Ed Fire
Secretary	Joanne Katcher
Treasurer	Tom Cearfoss
Sponsor	Mr. LaCivita

Students graduating from the Band this year are Arthur Norberg and Vincent Chiricosta who played trumpet, John Moronti and Tom Cearfoss who played clarinet, Louise Lattorno and Shirley Rotz who played drums and Joanne Slaven and Delores Semanovich who were head majorettes.

The Band had two tag days this year. One for the people of Lowellville and one for the students of Lowellville High. Red band tags were given to each student who contributed. These tag days were very successful.

The Band marched at the home football games again this year. We were lucky in having nice weather all four games. We tried a lot of different formations on the field this year under the supervision of Mr. LaCivita.

The Band also played at some of the assemblies and gave an assembly in which there were three soloists. Joe Coppola and Sam Torella on the trumpet and Kenny Haines on the trombone.

Thirty grade school pupils took up band instruments this year.

Beverly Dovich was our new accompanist this year in vocal and instrumental music. Shirley Rotz was Mr. LaCivita's secretary and helped him quite a bit.

A Band Concert was held on March 27, 1953 in the auditorium. The program for the concert was as follows:

1. Little Norwegian Suite
2. Trombone Toboggan
3. Copa Cabana
4. The Traveller
5. Under the Double Eagle March
6. I've Been Working on the Railroad
7. Little Brown Jug Goes to Town and The Flute Gets Left
8. Beau Sabreur

The soloists for the program were Joe Coppola playing "Tramp, Tramp, Tramp", Sam Torella playing "Little Colonel Polka", Kenny Haines playing "Lily Polka", and a trumpet trio consisting of Sam Torella, Joe Coppola and Vincent Chiricosta playing "Trio Brillante".

There was also a band contest on March 28, 1953 in which our band participated. It was held at McDonald.

All in all this has been a very successful year in the instrumental music department.

Vocal Music

The vocal music department was under new supervision this year. The new head of the music department is Mr. LaCivita.

The vocal music department is divided into three groups. They are the Mixed Chorus, the Boys' Chorus, and the Girls' Chorus. There was also an Ensemble at the beginning of the year. The Mixed Chorus and the Ensemble sang for the October P. T. A. meeting.

A successful operetta was held on April 17, 1953. The name of the operetta was "Chonita". It was a story about a gypsy girl who had just become 18 and who was now entitled to take over the gypsy tribe because her father was the leader of it. But when her mother had died years back her father had promised her mother that before Chonita took over the tribe she would live with her relatives in Hungary who were of the aristocratic class and see which life she liked best. Her lover in the gypsy tribe is Stefan. When she goes to live in Hungary though, her cousin Konrad falls in love with her. There is a time when you wonder which life she picks but it ends up that she goes back to the gypsy tribe with Stefan. There were gay songs and romantic songs in this wonderful operetta and also a gypsy dance. The whole Mixed Chorus participated and had a good time putting it on. The cast of characters follows:

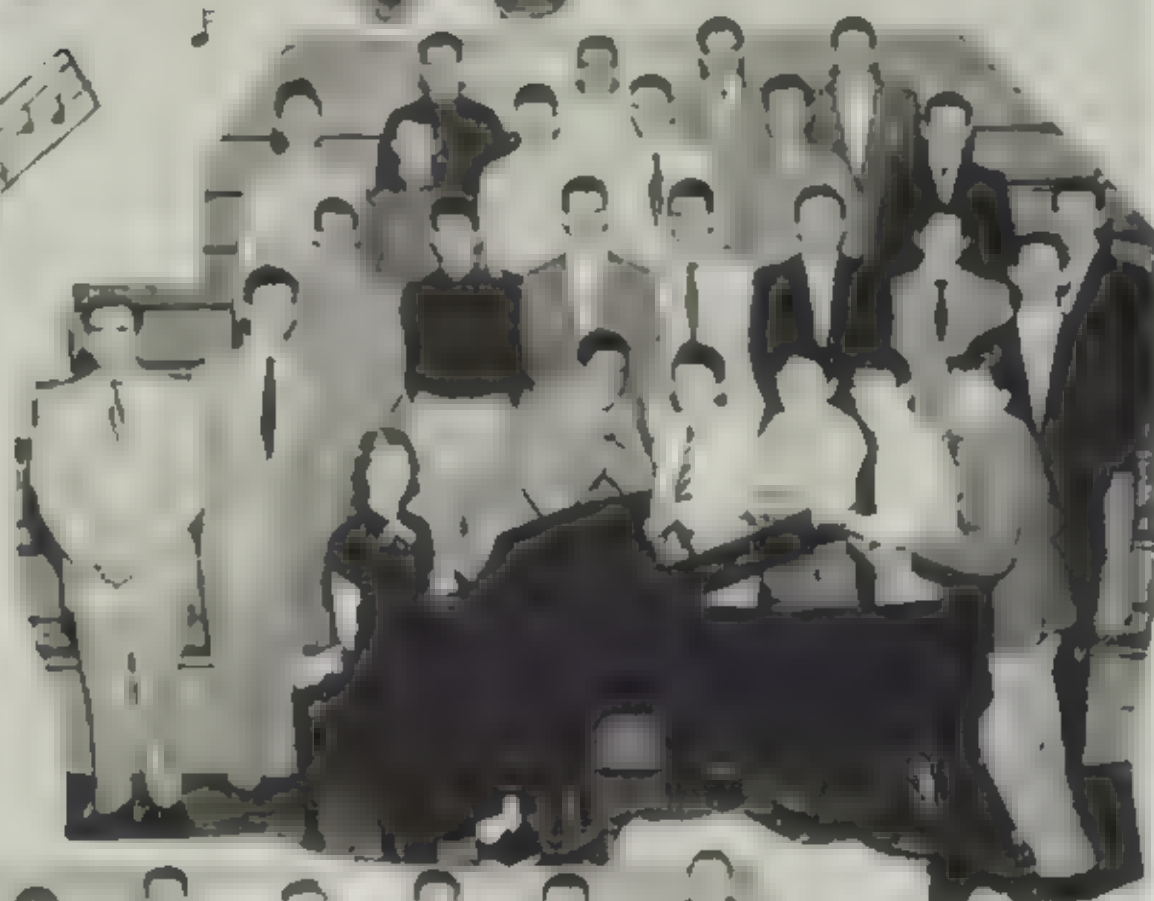

Chonita	Arlene DeLisio
Daya	Delores Semanovich
Murdo	Joe Coppola
Six Gypsy Girls	Joanne Katcher, Dorothy Mayberry, Janet Rotz, Carole Stefano, Carmel Gizzi, Marlene Bisconti
Stefan	Rodger Horn
Baroness Stanescu	Shirley Rotz
Konrad	Clifford Armstrong
Baron Stanescu	Jack DeLucia
Emil	Arthur Norberg

This was the first operetta since 1949 and it was enjoyed by all who saw it.

Football Coaches

MR. BURNS

Mr. Burns graduated from East High in 1939 and then entered Youngstown College. He participated in football, basketball and baseball. He was elected captain one year.

After college he entered the army and played some professional ball out on the west coast. After he was discharged from the army, he went back to Youngstown for a refresher course. Here he helped Dyke Beede coach the Youngstown football squad.

Mr. Burns is married and has two children. He took over the job as head coach for the 1952 season, replacing Mr. Flauto. We are sure that the student body and the whole town wish Mr. Burns all the success in the world in his coaching career.

MR. HAINES

Mr. Haines is a graduate of Wooster College where he played on the football and track teams. He was elected captain of his football team in his Senior year. Mr. Haines began teaching in Lowellville in 1931. Later he became head coach of the football squad in 1936. He resigned as head coach in 1946, but still remained on the coaching staff as an assistant to Mr. Flauto.

During his years as head coach Mr. Haines led his boys to some wonderful seasons and finally his team in 1945 gave Lowellville its first unbeaten and untied season.

MR. LUKICH

Mr. Lukich is a graduate of Youngstown College and Arizona State College. He has his B. S. in Education.

Mr. Lukich assisted Mr. Burns in coaching our squad this year. He saw action as a lineman in college play and helped our boys learn more about their positions.

Statistics of Senior Football Players

CLIFFORD ARMSTRONG—"Cliff"—Tackle, Wt. 160, Ht. 5' 9"

Clifford was sorely missed by our squad. He was injured in an auto accident and looked on from the sidelines in his senior year. His loss was felt by the whole squad.

Memory: Blocking a kick and going 50 yds. for a touchdown in the Jackson Milton game.

RODGER HORN—"Horny"—End, Wt. 175, Ht. 6'

Horny was a very fine pass receiver but suffered a dislocated shoulder and couldn't play his senior year. His loss was felt by our passers.

Memory: Intercepting a pass and running 65 yds. for a touchdown in the Springfield game.

PAT MOROCCO—"Pat"—Center, Wt. 110, Ht. 5' 9"

A two year letterman, Pat had bad luck in his senior year breaking his collarbone. He was a fine offensive center, a good blocker, and excelled on pass defense and backing up the line.

Memory: Rushing Yoho three straight times and partially blocking a punt on one occasion.

JOHN MORONTI—"Johnny"—Right Guard, Wt. 169, Ht. 5' 10½"

Johnny was one of the biggest boys on the squad. He took a lot of punishment but never quit. His position will be hard to fill next year.

Memory: Playing fullback in the Canfield game.

WALTER SCHRADER—"Buck"—Left Guard, Wt. 153, Ht. 5' 10"

Bucky was one of the roughest boys up on our front line. He was a fine blocker and good tackler and played both offense and defense. He was hampered by a bad knee all season.

Memory: Playing in Columbiana game with intestinal flu.

Football Resume

We had a season of hard luck and bad breaks. In the first two weeks of the season we lost three first string men. Later we lost two more. We were very short on man power but not on our ability to play football.

We opened the season by traveling to Springfield to defeat them by a score of 14 to 0. This victory was very costly to us because Frank R. (Zed) and Bill Martin suffered injuries that kept them out of action for six weeks. The following week Pat Morocco was injured and he was out of the line-up for six weeks also.

Next we played Bessemer and went down to defeat at the hands of the powerful team by the score of 19 to 0.

Then another rival came down to defeat us. Goshen who had not beaten us in football for a good many years proved too powerful for our injury-ridden team. The final score was Goshen 34 and Lowellville 7.

Canfield came into town the following week boasting an undefeated and unscored upon record. Canfield found the going tough but had too much man-power and defeated us 40 to 7. However, we were the first to cross their goal line by scoring on a pass play.

For our next game we traveled to Jackson-Milton where we fought to a 6-6 tie. It was a hard-fought ball game with our defense standing out among the high-lights of the game.

The following Friday night we went to McDonald for a game under the lights. McDonald boasted a well-balanced ball club on both offense and defense. They proved too powerful and we were defeated by a score of 33 to 0. Here we lost another first stringer, Jim Andervich, who suffered a back injury and was out for the season.

Columbiana came into town next and defeated a stubborn Lowellville defense to win 21 to 0. Again we felt the shortage of man-power.

Closing our season we journeyed to North Lima. Our line-up was bolstered by the return of three of our first team men who were out with injuries. We easily defeated North Lima 33 to 7, with everyone on the squad seeing action.

And so we ended our season with a 2-5-1 record. It is not a record we can brag about but if you will look into records, they will show that this is one of the toughest and most injury-ridden teams Lowellville ever produced.

We congratulate Coach Burns and his assistant Mr. Haines who both turned out a tremendous job with the material they had to work with.

Basketball Resume

The 1952-53 season opened Coach Paul V. Johnson's 25th year with the Lowellville Rockets. During this season the Rockets won 8 games and lost 9. Richard Primavera was one of the main factors for the success of the Rockets, besides the fine coaching job of Paul V. Johnson and his assistant coach, Robert Burns.

The Rockets opened their season at North Lima. North Lima was favored but the Rockets were all fired up and they won in an overtime period. The score was Lowellville 46, North Lima 41.

Then Goshen visited Lowellville only to be downed by Coach Johnson's five with a score of 68 to 58.

Lowellville played host to Champion next and found that Champion was the stronger of the two. Lowellville met with their first defeat by the score of 50 to 46.

The next week our old rival, Struthers, came to Lowellville and it was a nip and tuck battle with Struthers coming on top by winning 47 to 39.

Our next game was with Bessemer at Bessemer. This game was also a nip and tuck battle and in the final minutes Bessemer came out on top 41 to 40, handing Lowellville their third loss.

Canfield then came to Lowellville. They had beaten us twice last year so the team was full of fight. Canfield had beaten all of their rivals so far by 10 to 20 points, but when they played us, we held them to 46 points to our own 44 points. They took the victory in the last two or three minutes.

Poland was our next opponent and it was a fight to the finish. The game was a battle to the last few seconds when Lowellville went ahead by one point to win the game.

Jackson-Milton was our next game. It went in the Rocket's favor all the way. We won 56 to 41.

Berlin Center gave the Rockets a rougher time than we thought they would and they came through in the final few minutes to win 47 to 45.

We met Canfield again on their home court. This game was close until the final period of play and then Canfield went wild to beat us 59 to 48.

The Columbiana Clippers were our next opponents. The Rockets unable to keep up the pace were defeated 65 to 41.

We met Springfield next at home and they went home the victors by a score of 50 to 47.

Greenford traveled to Lowellville next where they were met with a strong attack and lost 14 to 33 thus giving Lowellville 6 wins and 7 losses.

We traveled to Springfield to meet the Tigers again and this time the Rockets tamed the Tigers to a score of 53 to 49.

McDonald then came to Lowellville where they beat the Rockets by one point. The score being 43 to 42.

Lowellville then traveled to the new field house in Struthers to play the Wildcats who in the last ten seconds took a hoop shot and made it to beat Lowellville 47 to 45.

North Lima came to Lowellville to even up the score for the loss we handed them at the beginning of the season. But the Rockets had different ideas and the score was 53 to 50 in favor of Lowellville.

Lowellville High started the 1953 Mahoning County Class B Tournament at Struthers Memorial Field House. Their first tournament game was against Springfield, against whom the Rockets had a 1-1 record. Dick Primavera and Joe Coppola featured the attack with 23 points as the rockets won 45 to 40. The next game was with Canfield (the future Mahoning County Champs) who got off to a good start and led all the way to win 63 to 46. Lowellville easily downed their next opponent in the consolation bracket. It was Berlin Center and we beat them by a score of 51 to 47. The attack was led by Dick Primavera who had 18 points. Next Lowellville was matched with Goshen for the fourth game. It was a "nip and tuck" battle with Goshen coming out on top 45 to 39, so ending the 1952-53 season.

County Champs 1921-1931

In 1923, L. H. S. won its first county championship but it wasn't won by the boys. For it was won by the girls' basketball team. Instead of getting a trophy for their work, all they got was a pennant.

The second county championship came in 1926 in basketball. This team had a fine season's record but was still considered "dark horse" in the tournament. In winning the championship the team received a silver basketball, which is still in the trophy case.

Harry Watson, Class of 1927, was a member of the first Youngstown College Basketball team.

In 1929, L. H. S. again won the Mahoning County Championship in basketball. This team was said to be one of the snappiest teams ever produced by Lowellville High School.

Lowellville's first and only county championship in track came in 1928. James Demi, Colin Worsencroft, James Badal, Joseph Gliemmo and Harry McBride were the members of this team. This was the first year any Lowellville team went to Columbus. Here they scored 10 points in the State meet, and no Lowellville team has yet surpassed this total in a State meet.

COUNTY TRACK MEET — (May, 1928)

Lowellville won with 35 points; second, Boardman; third, Sebring, followed by all others.

Points scored—(5 points for 1st; 3 for 2nd; and 1 for third).

Congratulations, Classes of 1953!

This is an inaugural year! Our own land begins a new presidential era. England assumes a new ruler. And YOU open the page to a new and exciting chapter in your own life's story!

But stop for a moment before you begin! Check your equipment and understand your best dreams. Then take to the path that leads to success with confidence. There will be disappointments, of course . . . when your goal seems far off and the course rugged. But remember that many have vested their hopes in you . . . just as America looks to Ike, as England is revived by the wholesomeness of Elizabeth.

And so it is YOUR year of commencement . . . YOUR moment of challenge . . . YOUR year of inauguration! Add our name to your list of friends who are certain that you will reach the high pinnacle of joy and success.

Smith and Jones were standing on the corner awaiting the arrival of their particular street car when their neighbor, Brown, whizzed past in his machine.

"He seems to be pretty well satisfied with his car," remarked Smith.

"Seems that way," replied Jones. "He told me that he hasn't paid a cent for repairs in all the nine months that he's had it."

"Yeah," said Smith. "The garage man who does all the repairing told me the same thing."

THE HAND OF FRIENDSHIP

Here's to the hand of friendship,
Sincere, twice tried, and true,
That smiles in the hour of triumph,
And laughs at its joys with you,
Yet stands in the night of sorrow,
Close by when the shadows fall,
And never turns the picture
Of an old friend to the wall

THANKSGIVING DAY

The God of harvest praise;
In loud thanksgiving raise
Hand, heart and voice.
The valleys laugh and sing,
Forests and mountains ring,
The plains their tribute bring,
The streams rejoice.

IT'S A GOOD DOG NOW

A minister in an eastern town usually preached for an hour at a time. Recently one of his sermons only lasted ten minutes. At the conclusion of the brief remarks he explained:—

"Friends, I regret that I cannot say more this morning. My dog this morning playfully ate the portion of the sermon that I have not delivered. Let us pray."

After the service a man who was a member of another church shook hands with the minister and asked:—

"If you please, sir, I would like to know whether that dog of yours has pups. If so, I want to get one for our minister."

MYSTERIOUS

A traveling man on a Wabash sleeper, on awakening in the morning, found under his berth one black shoe and one brown one. He called the porter and directed his attention to the error. The porter scratched his wooly head in utter bewilderment and muttered:—

"Now ef dat don't beat all. Dat's de second time dis mawnin' dat dat mistake's happened."

FOR SALE

A man from the city went to a small country town in New Hampshire to spend his vacation. At the station he took the stage, which was drawn by two dilapidated horses, and found that he had nothing smaller than a five-dollar bill, which he handed to driver.

The driver looked at it for a moment or so, and then said:—

"Which horse do you want?"
